# Letter from the Founder & President

**Dear Friends,**

It's a pleasure to report on the successes of 2012 -13 and outline the tremendous growth and expansion Solidarity Nepal continues to experience. Our dedicated staff, volunteers and members worked hard to meet our strategic goals for 2012-13:

- **Promoting Unity**
- **Mission Literacy Campaign**
  - . One District - One Library
  - . Setting up computer labs
  - . Uniforms, stationery and financial support for underprivileged children
  - . Empowering women students
- **Project SMILE – Touching the untouchables**
- **Supporting child centers and old age shelter**
- **Support for physically challenged person**
- **Formation of SN Poor, Helpless & Brilliant Scholarship Fund**
  - . Asmita Memorial Award
  - . RudraMan Scholarship Fund

**Here are a few highlights from 2012-13:**

- ✓ We opened our five chapters in Australia, Canada, UK, USA and Japan.
- ✓ Each chapter supported our projects in Nepal.
- ✓ By expanding community programs, we more fully engaged members in the SN mission, in particular with our Mission Literacy campaign in 7 districts of Nepal.

Looking ahead, we're committed to making the most of the ground gained in recent years, building upon and developing our newly launched programs, and strengthening our core work to educate child through our mission literacy campaign and work for equality through Project SMILE- Touching the untouchables. We know that none of this would be possible without the support of our members, friends, and donors. Thank you from the bottom of my heart for your continued investment in Solidarity Nepal.

**Yours,**
